Sir,
With reference to Your letter No Dr e 10/45-46 dated 10-7-45, on the above subject I am directed to request You to be so good as to inform whether in view of the general improvement of water supply to the Mysore city, recently sanctioned by the Govt at an estimated cost of Rs 6,64,000/, it is still necessary to sink a drinking water well in the area in the city

In this connection I am to observe that the expenditure in question is a legitimate charge on the funds of the city Municipality, instead

of on the Funds of the Trust Board

The estimates are herewith returned for reference and retransmission along with your reply
